SINX

Product description and its intended use *(measurements, materials, usage)*:

Sinx by Totara offers a wide range of sinks in a variety of styles and configurations. Our sinks feature thick sides and bottoms to provide sound deadening qualities. Functional, strong, and made to exacting manufacturing standards, we use the highest grade 18/10 304 stainless steel for maximum durability and reliability. Enjoy the confidence and peace of mind of a lifetime limited warranty for all Sinx by Totara stainless steel sinks. We are also proud to offer a 5-year warranty on our Noir Series Granite Composite sinks, and a 1-year warranty on the wastes and overflows that are supplied with the sinks. Leading classic and contemporary brands: Cube, Noir Project, R15, Totarapak, Vega, Vision & Zen are available. Sinx by Totara offers a growing range of matching kitchen sink accessories compatible with the Project, R15 and the Zen Series. High quality products sourced from leading global suppliers.
